

Math 31AH Fall 2017 Written Homework 9, “due” Friday 12/8/2017 but not to be handed in

1 Reading

Finish reading Sections 9.1 and 9.2. Time permitting, we may also cover the first part of Section 9.3 and the first part of Section 9.4, but you won't be responsible for them on the exam.

Because the services of our grader are not available during finals week, this homework set will not be graded and so will not be handed in. But you should do these problems in preparation for the final. Problems related to these will be fair game for the final exam.

2 Exercises to complete by Friday 12/8

Section 9.1: #9, 10, 11

Section 9.2: #2, 5, 6, 9, 13
