

**MATH 207A SYLLABUS  
SPRING 2015**

**Lectures**                    MW 10:00-11:20, APM7218.  
**Instructor**                James M<sup>c</sup>Kernan, APM 6260, phone (858)-534-6347  
**Office Hours**            MW 11:30-12:30  
or by appointment, if you cannot make these times.  
**Text**                        None required, although I will assume that you are familiar with the first three chapters of Hartshorne. See web site for some other suggestions.  
**Homework**                Homework will be assigned on the website every Monday. It will be due one week later on Wednesday.  
**Syllabus**                 We will cover topics in birational geometry and higher dimensional geometry as time permits.  
**Prerequisites**            Math 203ABC.
