

## FINAL EXAM POLICY

Your final grade will be computed in one of two ways:

- (i) 40% homework, 60% midterms.
- (ii) 30% homework, 30% midterms, 40% final (as on the syllabus).

Your final grade for the course will be determined by the maximum of (i) and (ii).

The final is optional. The final will have a quite different form to the midterms. If you take the final you will receive the final by email on Wednesday March 18th at 11:30am. It will be due on Thursday March 19th at 11:30am, submitted via Gradescope. Handwritten, but legible, answers are welcome.

If you don't plan to take the final then please email me.
