

1 Correction for Elmsley paper

On the bottom of page 25, left-hand column, The place that begins: "Equivalently, we can choose ..., take $t = 2^r - 1$." should be replaced by : "Equivalently, we can choose $t = \lceil \frac{p2^r}{2n} \rceil$."

With this choice, we don't have to single out $p = 0$ and $p = 2n - 1$ /
